Baby-Friendly Hospital Initiative:

The Baby-Friendly Hospital Initiative is a global program that recognizes hospitals and birthing centers that offer an optimal level of care for infant feeding. The Baby-Friendly Hospital Initiative assists hospitals in giving mothers the information, confidence, and skills needed to successfully initiate and continue breastfeeding their babies or to feed formula safely, and gives special recognition to hospitals that have done so. For more information, visit <http://www.babyfriendlyusa.org/eng/index.html>.

Baby-Friendly Designated Hospitals:

La Leche League

League has provided mother to mother breastfeeding support for 60 years! For information on meeting locations, days and times, check out our meeting flyer and contact information [HERE](#). Our local LLL Leaders are all accredited volunteers. We welcome your phone calls and breastfeeding questions. Supporting La Leche League: If you find the information and support you receive from La Leche League to be helpful, please consider giving back to LLL so that its support will continue to be available to other mothers. A tax-deductible annual \$25 membership may be purchased online at <http://www.lllofmd-de-dc.org/Join-or-donate.html> A donation of any amount can also be made.
